Stuart Strong

Welcome to the first edition of *Life by Hometown Australia 2026*. In this autumn edition we share a look at the exciting year ahead as Hometown expands into the Victorian market, introduces a new portfolio of modern and affordable home designs, and launches a vibrant calendar of resident events and competitions.

We extend a warm welcome to all of our new residents who have recently moved into their new homes. We look forward to supporting you as you settle in, make new friends, and enjoy everything community living has to offer.

This year, our focus remains firmly on delivering affordable, high-quality homes that enable Australians over 50* to live well, with comfort, connection, and peace of mind. Affordability is at the core of our ethos, and we continue to explore innovative ways to provide homes that are both accessible and thoughtfully designed.

For our existing communities, our commitment to you is as strong as ever. We are investing in improvements, listening closely to your feedback,

and ensuring our communities continue to be places you are proud to call home. As we expand and development new communities, we will deliver quality innovative homes that are both accessible and thoughtfully designed, whilst remaining affordable for older Australians to downsize in comfort, security, and style.

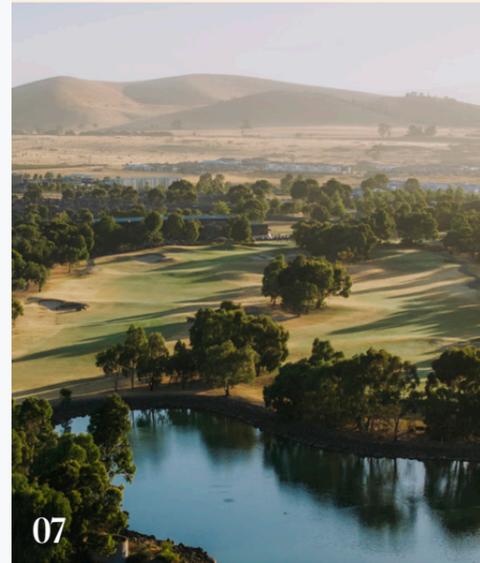

For all our residents we have a big year of community activities and competitions ahead with the annual calendar kicking off with the State of Origin Bowling Competition in May. This year will bring more opportunities to become involved, have fun, and celebrate the incredible talent and spirit within our communities.

We hope you enjoy this edition of *Life by Hometown Australia*.

Kind regards,

Kevin Tucker *Stuart Strong*

Life Awaits on the Central Coast

For many over-50s, the Central Coast is more than a beautiful destination - it's an inviting place to call home. With coastal charm, relaxed living and everyday conveniences close by, all just a short trip from Sydney and Newcastle, it's easy to see why retirees love it here. Let's take a look at why the Central Coast is a great place to hang your hat!

Coastal Beauty at your Doorstep

One of the Central Coast's greatest drawcards is its spectacular beaches. Home to more than 40 pristine stretches of sand, including favourites like Terrigal, Avoca, and Shelly Beach, the area is perfect for swimming, strolling, and soaking in the sea breeze.

Lakes, Water Ways & Peaceful Escapes

Beyond the coastline, the region features beautiful lakes and waterways such as Tuggerah Lake and Brisbane Water — ideal for fishing, kayaking, gentle bike rides, or simply enjoying the view.

Exploring the Great Outdoors

For those who enjoy staying active, the Central Coast offers walking and cycling tracks, from coastal boardwalks to peaceful bush trails woven through national parks like Bouddi and Brisbane Water National Park.

A Cafe Culture with Coastal Charm

The area is also known for its vibrant café culture and dining scene, with waterfront cafés, artisan bakeries, fresh seafood spots, and modern eateries spread across towns from Ettalong to Long Jetty and Avoca. Food lovers will find no shortage of flavour!

Peace of Mind

The Central Coast offers fantastic shopping from coastal boutiques to major centres in Erina and Tuggerah. Enjoy peace of mind with strong access to medical care, including hospitals, specialists and well-connected health services in hubs like Gosford and Wyong.

"We love living here at Valhalla! We enjoy being surrounded by a great group of people around our age."

Brian and Mandy, Valhalla residents

"My husband and I decided to move back to the Central Coast to be closer to family and that is when we found Terrigal Sands. It suited what we were looking for perfectly!"

Michael and Janice, Terrigal Sands residents

"There is so much to do within the community (at Tergalin) My favourite thing is the people, the connections I have made and I enjoy walking with friends regularly around the community to keep fit and socialise."

Kim, Teragalin Lakeshore resident

What's Been Happening Around the Communities

Summer Olympics at The Pines!

The Pines community in New South Wales recently hosted a vibrant Summer Olympics weekend, proudly organised by residents. Over the course of the weekend, the event featured creative games, friendly competition, and shared meals, activities included pickleball, golf challenges, pool events, and social catch ups.

"The weekend started with a Friday night kick-off in the community clubhouse where we enjoyed a home cooked meal together, decorated tee shirts and of course, had plenty of laughs. Saturday was a big day full of games, food, and friendly competition - the spirit was amazing from start to finish," shared resident, Karlee.

Residents embraced their creativity designing many of the events themselves including golf mat

challenges and turning the old tennis court into a pickleball court for the day. "There were morning matches of pickleball and golf to beat the heat and in the afternoon, we had fun in the pool with noodle races and volleyball, plus beanbag toss and quoits outside the clubhouse," said Karlee. There was time to recharge before the official award ceremony where participants took home gold, silver and bronze whilst others won beach baskets, and handcrafted wooden goods. "The real win was the laughter and togetherness," said Karlee.

The event highlighted the strong community spirit and connection and was held in heartfelt remembrance of late resident, Sandra. "A day she would have loved," said Karlee.

Ring the Bell for Cancer Survivors at Newport

Residents at the Newport community recently came together to support those within their community who have survived or are currently struggling with cancer. Resident, Bob, whose wife is currently battling cancer, handmade a bell for all to ring. "As you can imagine the event had many emotional moments for some residents and yet, they shared in their glory of survival. It was an inspiring event for those to continue the fight," said Heather, Community Manager.

A Day of Swimming, Comradery and Togetherness at Beachfront

Residents at the Beachfront community in New South Wales came together on Australia Day to enjoy each other's company over a picnic, swimming, games, and a sing along. "The whole community enjoyed themselves and what a great way to celebrate our great country. Living in Beachfront is something that is special," shared Annmaree, resident and President of the Social Club at Beachfront.

A Century of Ken and Laurel – Celebrating 100 Remarkable Years

The Rosetta Team and Hometown Australia staff were delighted to congratulate one of their residents on an extraordinary milestone with Ken, a cherished resident, recently turning 100 years old. Even more remarkable, and what makes this milestone even more special is his wife Laurel, another cherished resident, will also celebrate her 100th birthday later this year. "Together they represent an incredible 200 years of combined wisdom, love and life experience," said Lisa Fyfe, Community Manager at Rosetta.

This year also marks their 78th wedding anniversary! "Their deep affection and admiration for one another remains as strong today as it was the day they first met. For those who know them, their partnership is a beautiful example of commitment, kindness and enduring companionship. Their love story continues to inspire us," shared Lisa.

In July, Ken and Laurel will celebrate another beautiful milestone - 30 years of calling Rosetta home. "Over the decades they have touched the lives of residents, staff and visitors with their warmth, humour, and generosity of spirit," said Lisa.

"Congratulations Ken and Laurel. Your humility, gratitude and unwavering positivity continue to inspire everyone around you. We are honoured to have you in our community and are grateful for the joy and wisdom you have brought over the years," concluded Lisa.

Lively Celebration and Laughs at Glenfern

Residents, their families and friends came together at Glenfern to celebrate Australia Day in a fantastic day of lively celebration, featuring a variety of activities and shared enjoyment. "Everyone gathered to connect, savour delicious food, and participate in games and trivia, making for a memorable day," said Deania Petty, Community Manager.

The festivities kicked off with a boot throwing contest, sparking laughter and friendly competition. After much amusement and

enthusiastic participation resident, Ian took home the win! The event featured Australia Day themed trivia and a range of games such as table tennis, quoits, and additional rounds of boot throwing, encouraging everyone to join in the fun and test their skills. Guests enjoyed a traditional Australian lunch, which included BBQ sausages, fresh salads, pavlova, lamingtons, and Tim Tams.

"A heartfelt thank you goes to the organisers and the Social Community for their efforts in making Australia Day at Glenfern an enjoyable and successful occasion,"

You can find our communities throughout Australia, with each location handpicked for its natural surroundings or urban conveniences.

Hometown Australia's land lease living communities provide true value for money, without the high entry and exit fees often associated with other retirement living options.

Choose from the range of quality new or pre-loved homes, carefully designed to suit your needs and your budget. Hometown Australia's active, amenity rich communities are waiting to welcome you into an exciting new way of living!

No stamp duty

There is no stamp duty payable on the purchase of your home, saving you thousands of dollars to spend on the lifestyle you deserve. This can be a real boost to your budget, considering the Property Council of Australia suggests you can spend up to \$75,000 in stamp duty and other costs downsizing your home.

No council rates

With Hometown Land Lease living you won't have to pay council fees.

Retain capital gains

In many other living choices, it's likely within the scope of your agreement that the village will share in any capital gains garnered from the sale of your home. With Hometown Australia, you, or your family, keep 100% of capital gains as cash profit.

No exit fees

When you sell your home, you won't pay any exit fees, unlike retirement villages where you can be charged exit fees or deferred management fees accrued over time. This is great for your budget.
